## Historical Sketch.

---

ON the 24th of May, 1882, a number of gentlemen of the town of Kinston and of Lenoir county organized the "Kinston College Stock Company." Col. Jno. C. Washington was elected President and N. D. Myers, Vice-President. The other officers chosen at that time were, for Secretary, Dr. V. E. Weyher; for Treasurer, Dr. H. O. Hyatt.

Stock to the amount of three thousand dollars was subscribed. A lot was purchased from John F. Wooten, Esq., just outside of the eastern corporate limits, at the head of King street. Upon this lot was erected a large, framed, two-story building, fronting on East street. The building is in full view from the railroad and is a prominent object.

The house was ready for occupation on September 1st, 1882. A considerable number and variety of trees were planted in front and rear, and now add much comfort and beauty to the premises.

Dr. R. H. Lewis, a full graduate of the University of N. C., and also the Med. Department of the University of Pennsylvania, with an experience of sixteen years as teacher, was elected Principal. He had, for the preceding five years, been Principal of "Kinston Collegiate Institute."

Mrs. R. H. Lewis, with an experience of twelve years as teacher, was elected Superintendent of the Female Primary Department.

Mrs. Anna L. Davis, most favorably known to a wide circle of pupils and patrons as an excellent instructor in her favorite department, was elected Teacher of Vocal and Instrumental Music.

The selection of a male assistant was left to the Principal and Prof. Geo. G. Wilson, A. M., (Univ. N. C.) was chosen for that position.

### CORNER-STONE CEREMONIES.

The corner-stone, a granite block from the quarries near Raleigh, the gift of His Excellency, Gov. Thomas J. Jarvis,

was laid with appropriate ceremonies, on the 29th, August, '82. The oration on the occasion was pronounced by Hon. Kemp P. Battle, L. L. D., President of the State University. The proceedings were under the supervision of Rev. Israel Harding, Rector of St. Mary's church, Kinston. He was assisted by Rev. F. D. Swindell, Pastor of the M. E. Church of same town. A large and enthusiastic assembly was present to witness the ceremonies. A large audience also gathered in the court-house to hear the oration of Dr. Battle.

#### OPENING OF FIRST SESSION.

On Monday, Sept. 4th, 1882, the first term began. During the first day, ninety-one pupils were registered. Before the close of the first term, one hundred and twenty-three names had been enrolled. At the close of the first annual session, the number had reached one hundred and fifty-three.

#### SECOND YEAR.

During this year, one hundred and fifty-five were in attendance.

#### THIRD YEAR.

Prof. Thos. R. Rouse, Ph. B. (Univ. N. C.) was selected to fill the vacancy caused by the resignation of Prof. Harding. The number of pupils registered during this year was one hundred and fifty-five.

#### FOURTH YEAR.

Prof. Rouse remained as assistant. Mrs. Davis having resigned, Prof. Geo. D. Meares was elected Prof. of Music. The number of students this year was one hundred and sixty-eight.

#### FIFTH YEAR.

Prof. J. O. Alderman, B. A., (Richmond College, Va.) filled the chair previously held by Prof. Rouse. The number in attendance this year was one hundred and thirty-seven. Besides the state of Virginia, eleven counties of this state were represented.

## SIXTH YEAR.

Prof. Wm. F. Lewis, (Richmond College, Va.) was selected to fill the vacancy occasioned by the resignation of Prof. Alderman, who had been called to Presidency of the "Southern Normal," a school in Lexington, N. C.

## SEVENTH YEAR.

Miss Virginia Patrick was chosen to fill the assistant's place, and took charge of the Junior English and Junior Mathematics classes.

During this, the present, year there have been enrolled one hundred and sixty-three students; but the names of some of these do not appear in the catalogue, owing to having been present but a very short time.

### *FRIDAY AFTER-NOON EXERCISE.*

Besides the music rehearsals in the chapel every fourth Friday afternoon, the young gentlemen and young ladies, on the intervening days recite selections and declaim before the assembled school.

---

*ANATOMY, PHYSIOLOGY AND HYGIENE.*

The Principal having been for thirteen years a practitioner of medicine, (graduate University Pa.) enjoys unusual facilities for teaching these subjects. He was for four years lecturer on Anat., Phys. and Hygiene at the State Normal School at the University.

Special instruction is given by lectures and recitations, with reference to furnishing pupils who are taking a Normal course with the means of teaching readily this important matter.

---

*NORMAL TRAINING.*

Pupils every year attend this school and pursue studies with special reference to learning to teach. And already more than forty of the former pupils of Dr. Lewis' school in Kinston are now, or have recently been, engaged in conducting schools.

---

*ADVANCEMENT.*

As nearly as possible, pupils are graded. But they are freely allowed to work up and out of one grade into another. This is determined by written examinations. And many have taken advantage of this permission.

---

*EXAMINATIONS.*

There are two formal examinations during the school year. One, the intermediate, occurs at the close of the Fall Term—the other at close of Spring Term. These examinations are oral and written, and no one who does not pass them satisfactorily is allowed to advance.

---

*MONTHLY REPORTS.*

Reports are sent to parents and guardians every month, giving grades in studies and deportment.

---

*GRADUATION.*

Diplomas are granted to ladies only. But young gentlemen may receive certificates of proficiency, if they so desire it.

*EXTENT OF DISCIPLINE.*

The Principal claims that his authority over pupils exists as long as they remain members of the school, wherever they may be. He surely should have the right to decide what kind of conduct affects the reputation of the school, and no pupil will be retained who is guilty of conduct that would bring discredit upon the Institution.

All boarders are considered and treated as under the special supervision of the Principal, whether boarding with him or not. No young lady boarder is permitted to receive calls from young gentlemen during term.

---

*EARLY REGISTRATION.*

It is a matter of very serious importance to pupils that they enter at the beginning of terms. A heavy burden is imposed upon the students, as also upon the teachers, when they enter school some time after the beginning. And when a few weeks have passed, it is almost impossible for the late comer to catch up with the class. Parents and guardians will please note this and try to have their children enter school promptly on the opening day.

---

*RELIGIOUS PRIVILEGES.*

There are four churches in Kinston, with preaching at some of them every Sunday—Methodist, Disciples', Baptist and Episcopalian. Students boarding with the Principal have the privilege of attending any church which parents or guardians may select.

---

*LOCATION.*

Kinston, the county seat of Lenoir county, is immediately on the A. & N. C. R. R., and at the head of steam navigation on the Neuse. It is twenty-six miles from Goldsboro, and thirty-six miles from New Berne.

For more than twelve years past, the town of Kinston has held a high position among the towns of the State as regards its educational advantages. And for a time longer than this it has been noted for its extreme healthfulness.

A new railroad route has been surveyed from Greenville through Kinston to Jacksonville, in Onslow county. It is expected to be in operation in the course of a year.

Students coming by steamer or by railroad will be met at the wharf or station by the Principal, if so desired, and directed to boarding house.

---

*BOARDING PUPILS.*

It is preferred that all the young-lady boarders should live with the Principal's family. They should bring their own sheets and towels, which should be marked in their name. They should also bring gossamers, over-shoes and umbrellas.

---

*ANNUAL SESSIONS.*

The scholastic year begins on first Monday in September of each year and closes on last Thursday in May following. It is divided into two terms :

FALL TERM begins first Monday in September and ends on Friday preceding Christmas week.

SPRING TERM begins Monday after Christmas week and ends on last Thursday in May.

---

*HOLIDAYS.*

The regular holidays are thanksgiving day, May day and a Christmas recess of one week. The Christmas recess is not counted as part of the term.

---

Parents and guardians will please note the times of beginnings of terms.

---

*MUSEUM.*

The museum contains a very large number of curiosities, relics, rare shells, anatomical specimens, minerals, gems, ores, coins, from all parts of the world.

Additions are being made every year by friends of the school, to whom the thanks of the Principal are heartily tendered.

The bulk of the collection was presented by Rev. E. M. Forbes, of Beaufort, N. C., at the organization of the school. And his portion of it is exceedingly valuable and rare. He continues to add to it from year to year.
